CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 1691

Introduced by Assembly Members Gipson and Cristina Garcia

January 21, 2016

An act to add and repeal Sections 44125.5 and 44274.1 of the Health and Safety Code, relating to vehicular air pollution.

LEGISLATIVE COUNSEL'S DIGEST

AB 1691, as amended, Gipson. Vehicular air pollution: vehicle retirement.

Existing law creates an enhanced fleet modernization program for the retirement of high-polluting vehicles to be administered by the Bureau of Automotive Repair pursuant to guidelines adopted by the State Air Resources Board. Existing law requires the program's guidelines to be updated no later than June 30, 2015. Existing law requires the updated guidelines to ensure vehicle replacement be an option for all motor vehicle owners and may be in addition to compensation for vehicles retired, as specified.

This bill would require the state board, by ~~June 30, 2017~~, *July 1, 2018*, to update the guidelines, as specified, that would be operative until July 1, 2022.

Existing law establishes the Air Quality Improvement Program that is administered by the State Air Resources Board for the purposes of

funding projects related to, among other things, the reduction of criteria air pollutants and improvement of air quality. Pursuant to its existing statutory authority, the state board has established the Plus-Up Pilot Project, as a part of the Air Quality Improvement Program, to provide financial assistance to low-income individuals to replace older polluting vehicles with cleaner, more fuel efficient vehicles.

This bill would require the state board, by ~~June 30, 2017~~, *July 1, 2018*, to develop guidelines that would be operative until July 1, 2022, for the purposes of the pilot project.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 44125.5 is added to the Health and Safety
2 Code, to read:
3 44125.5. (a) No later than ~~June 30, 2017~~, *July 1, 2018*, the
4 state board shall update the guidelines adopted pursuant to Section
5 44125 to ensure all of the following:
6 (1) Each district implementing a program pursuant to Section
7 2627 of Title 13 of the California Code of Regulations with a
8 backlog or a waiting list for applicants shall develop a plan with
9 recommendations to the state board on how to eliminate the
10 backlog or waiting list.
11 (2) Specific steps are taken, including, but not limited to, random
12 income eligibility verification and contact with program
13 participants at least once after their vehicles are replaced, to ensure
14 the program operating pursuant to Section 2627 of Title 13 of the
15 California Code of Regulations is not being misused.
16 (3) For programs operating pursuant to Section 2627 of Title
17 13 of the California Code of Regulations, mandatory partnerships
18 with, and a mandatory minimum amount of overall funding
19 allocated to outreach for, community-based organizations to ensure
20 program accessibility for the lowest income disadvantaged
21 communities in the state, with an outreach and partnership report
22 to be submitted to the state board by the district every six months
23 after ~~July 1, 2017~~. *July 1, 2018*.
24 (4) Enhancement of prescreening of applicants to the programs
25 operating pursuant to Section 2627 of Title 13 of the California
